

Dear FIL Friends and Family,

I am thrilled to announce that I am taking on the role of Executive Director at the Foundation for Independent Living. It is with great enthusiasm and commitment that I step into this position and I am eager to continue serving our community alongside each and every one of you.

Having been part of this organization for 12 years, I have witnessed firsthand the incredible impact it has on the lives of our residents, staff, and families. Through these years, I have carefully observed areas within our program that require important attention and addressing these challenges has been a priority. I am excited about the opportunity to focus on these areas and elevate FIL to new heights. As we move forward, I am committed to upholding our mission of providing exceptional care and support to our residents and opportunities for growth for our staff.

I am deeply grateful for the trust and confidence you have placed in me and am excited about the possibilities that lie ahead. I know that with your support, we will continue to create a nurturing and inclusive environment where every resident can thrive and reach their fullest potential!

Please feel free to reach out to me with any questions, ideas or concerns you may have as we strive to make FIL even more enriching and impactful for everyone involved.

Thank you for your ongoing support and I look forward to working closely with each of you in the days, months, and years to come!

Betty Cadet

Executive Director
